

C COUNTERTOPS

Think of countertops as all-purpose work surfaces. We make them from highly durable wood with quality joinery and glues so they are built to last!

Our countertops come in a range of custom sizes. This guide will help you choose what's best for you.

Profile

1

Choose a species

No choice here

Kaltimber recommends only Ulin as the wood that has the strength and inherent natural durability to withstand the harsh climates.

2

Pick the thickness

20 mm
